

YOUR IDEAL DIGITAL WORKSPACE

W RK CIRCLE

CONNECTING BUSINESS

Workcircle is a tailored made mobile intranet platform to provide companies the ability to apply leave, apply claim, traction of employee attendance, check payroll, calendar scheduling, meeting invitation, task management, and collaborate on projects.

41.4

Leave

MYLEAV

27 Aug. 2018

15 Jul 2018 - 16 J

Companies of any size can instantly link all employees with real-time communications and companies related information to improve productivities and efficiency.

Furthermore, it is fully customizable and white label with your prestige company.

HR in your pocket

The best tools don't require a lot of fuss. With Workcircle HR Module, we've simplified the HR tools you need to power your people and business.

Applying leave has never been this easy! Just a few taps direct to your superior.

Immediately log the claim amount and relevant remarks into the system.

Why still use punch card when you can check in/out through mobile app.

Access payslip on the go and won't always have to access through a pc.

Easily create recurring events and setup reminders.

Paperless Environment

Create paperless environment by reducing documents

#2 All Business Process in ONE Place

Put all required Business Process into mobile app to increase productivity and make approval process real-time.
